Thank you to the board and members for working as a team and helping to get the Read-A-Thon up and running when there were some problems. It was a bumpy start with the parent emails getting registered instead of the kids, but everything should have been fixed. If you're still having difficulties, reach out to us and we can fix it. Have already raised almost Two Thousand dollars.. Ms. Flannigan's class at 13%, has the most number of registered readers. Checks can also be sent into school if you don't want to do it online.

There is someone interested in the president position for next school year. Still looking for Vice-President and Treasurer, which are elected positions and do need to be filled by the end of the year. Can reach out to Pam if you're interested in taking one of the positions.
